

Complaints Procedure 20/21

1 Policy

Beyond the Box Student strives to achieve the highest standards in its provision of services but recognises there are occasions when complaints may arise and has a Student Complaints Policy to address such complaints.

2. Purpose

Beyond the Box Student welcome all opportunities to address any issues with the services we provide. We encourage customers to verbally raise the issue with their Hospitality Team in the first instance as many issues can best be addressed at the time they arise.

It is recognised however, there may be occasions when either it is not appropriate to raise the issue locally or this has been done and dissatisfaction remains. In these circumstances a complaint may be raised, and this procedure sets out;

- How to raise a complaint;
- How a complaint will be dealt with;
- Service standards within which complaints will be dealt with.

3. How to raise a complaint

If you experience a problem with your accommodation, our service or our staff, please take the time to make this known to us.

In the first instance, contact your Hospitality Assistant by telephone, e-mail, letter or in person, where notes will be made of your concerns.

However, if you prefer you may make your complaint in a formal manner in writing, directed to The Senior Hospitality Manager, Beyond the Box Student, Avon Way House Colchester, ESSEX, CO4 3TZ.

Your complaint will be dealt with in a fair and timely way regardless of how your complaint is made.

All complaints relating to accommodation need to be made by the student concerned and not via a guarantor or any other third party. A complaint received by a third party will only be considered with the express written permission of the person to whom the complaint relates.

If your complaint regards any perceived breach of the ANUK Code of Standards for Larger Student Housing (a copy of which can be found here: www.anuk.org.uk/largeCode/code.asp) then please direct your correspondence to; Simon Talbot, Director of Beyond the Box Student, Suite 2, The Centre Colchester Business Park Colchester, Essex, CO4 9QQ

4. How we will deal with your complaint

We will:

- Acknowledge receipt of your complaint within 5 working days
- If necessary, we will forward your comments to the person most able to determine the situation.
- On receipt of a complaint a full

investigation will be undertaken to establish the circumstances surrounding the issue, which may include formal interviews with any other person(s) affected/involved in order to reach a decision. • The investigation will consider the cause of the problem and seek to find and take steps to ensure there can be no repetition of the problem. • Write to you within 10 working days with our response. It may not be feasible to promise a conclusion within 10 working days; however the complainant will be advised of the actions being taken.

5. Service Standards

Beyond the Box Student complaints policy has a number of underlying principles:

- To enable a student who has a grievance or complaint to pursue the matter in a systematic manner.
- To ensure that the right of every student to have a high standard of accommodation is maintained.
- To respond to complaints in a timely fashion, adhering to published or agreed time deadlines.
- To observe the principles of fairness and impartiality.
- Focus on resolving complaints rather than apportioning blame.
- Confidentiality of students will be protected.
- Complaints will be monitored and analysed with a view to addressing the root cause.
